Located in the community of Vallican, in Electoral Area H, there are now six properties on Evacuation Alert and one on Evacuation Order. Due to the damage to Little Slocan South Road, the Ministry of Transportation and Infrastructure has closed the road until further notice. See map of the expanded area below.

At this time residents or visitors within the area are not required to evacuate, however the RDCK advises people to remain vigilant and be prepared to leave the area at a moment's notice. It is recommended to prepare an emergency kit and ensure preparedness, including moving pets and livestock to a safe area, in the event the situation worsens and an Evacuation Order is enforced. Part of your plan should include where you can go if evacuated.

The BC River Forecast Centre has upgraded the entire RDCK to Flood Watch for rivers and surrounding tributaries. River levels are rising and will approach or may exceed the river banks. Flooding of areas adjacent to affected waterbodies may occur.

The RDCK warns everyone to stay away from the edges of watercourses and report any erosion or flooding to the [Provincial Emergency Coordinator Centre](https://www2.gov.bc.ca/gov2/provincial_emergency_coordinator_centre) at 1.800.663.3456
