WHAT YOU SHOULD DO TO PREPARE UNDER AN EVACUATION ALERT

Upon notification of an EVACUATION ALERT, you should prepare for the possibility of an Evacuation Order. Things to consider are:

- If you haven't already, sign up to the RDCK Emergency Notification System for immediate direction during an emergency in your electoral area. Go to www.rdck.ca.
- Gather essential items such as medications, eyeglasses, valuable papers, immediate care needs for dependants, etc. Have these items readily available for quick departure.
- Preparing to move any disabled persons and/or children.
- Moving pets and livestock to a safe area.
- Arranging to transport your household members or co-workers in the event of an Evacuation Order. If you need transportation assistance call the EOC 250-352-7701.
- Arranging accommodation for your family if possible. In the event of an Evacuation Order, Reception Centres will be opened if required.
