## PART IV: SOIL ACCEPTANCE AGREEMENT

### Source Site Owner or Official Representative

The above information accurately reflects the volume and quality of the soil to be relocated from the Site indicated in Part I Section B. I know of no regulation, bylaw or other legal restriction which might prohibit the relocation of the soil, as described in Part I Section C, to the indicated receiving site. Further, I will ensure that all permits, manifests and other regulatory and safety requirements that may apply are met. I understand that the RDCK may reject soil for any reason at its discretion.
