Nelson, BC
Regional District of Central Kootenay

RESOURCE RECOVERY TECHNICIAN

Full-Time—Benefited

The Regional District of Central Kootenay is now accepting applications for the positions of Resource Recovery Technician.

Reporting to the Resource Recovery Manager, this position will be responsible for varied technical duties including supervising recycling depot service contracts, liaising with Recycle BC and other Extended Producer Responsibility (EPR) groups, preparing reports, collecting and maintaining recycling and diversion data and coordinating household hazardous waste roundup events as well as various outreach & education initiatives.

REQUIRED KNOWLEDGE, SKILLS AND ABILITIES:

- Knowledge of the operation, procedures and practices used in solid waste management, preferably within a government setting
- Ability to establish and maintain positive and effective working relationships with internal and external candidates, including contractors, consultants, external agencies, elected officials, and the general public
- Professional written and verbal communication skills;
- Proficiency in public speaking and making effective presentations to various audiences;
- Ability to work independently within a consultative, teamwork approach
- Ability to adhere to prescribed routine, work without direct supervision, exercise good judgment and to adjust priorities under changing field conditions
- Ability to prepare, read and understand technical documents including operation and maintenance manuals, construction specifications and drawings, survey maps and other plans
- Ability to perform manual work and be willing to work outdoors in all weather conditions and in environments with exposure to unpleasant substances and materials;

REQUIRED QUALIFICATIONS AND EXPERIENCE:

- 2 year technical diploma in Environmental Science or similar
- Minimum 2 years experience working in the administration and operation of municipal solid waste services, environmental management or related
- Previous experience in the supervision of contracted services
- Demonstrated knowledge and experience in the application and interpretation of Federal, Provincial and Local Government Act, regulations, guidelines and best practices governing solid waste management and other environmental programs and issues
- Knowledge of the Recycling Regulation and Extended Producer Responsibility principles

This is a full time benefited position and the normal hourly rate is \$37.15 with the range of \$35.53 to \$40.38 based on experience. The full benefits package includes extended health and dental, short & long term disability coverage, life insurance plus 3 weeks paid vacation time to start and enrollment in the Municipal Pension Plan when eligible (as per MPP rules).

This posting along with a detailed job description can be found on our website at www.rdck.ca/jobs. Applications will be accepted until **9:00 am Tuesday, April 2, 2024**.

To apply please complete our online application which can be found here: [Employment Application](#).

Thank you for your interest in working with the Regional District of Central Kootenay. All submissions will be acknowledged although only those individuals shortlisted to participate in the interview/testing process will be contacted.

This posting may be used to fill other similar positions within the RDCK over the next six months. Successful applicants may be invited back in subsequent seasons.
