Parks & Recreation Master Plan for Creston and Areas A, B, C

Creston, BC: The Regional District of Central Kootenay (RDCK) is developing a Parks and Recreation Master Plan that encompasses the Town of Creston and the Electoral Areas A, B, and C. The Master Plan will guide the RDCK's provision of parks and recreation opportunities and services to meet the needs of residents over the next 25 years.

Last summer, the public and stakeholders were invited to provide their input as part of a consultation process. A draft of the Master Plan has been developed and will be ready for review. Two open houses will be held during which key elements of the Parks and Recreation Master Plan will be displayed. A feedback form will be available for attendees to provide comment.

The draft Master Plan will be posted on the RDCK website following the open houses to allow the public and groups to review and provide feedback on the draft document.
