The Ponderosa wildfire was discovered on July 18 and is estimated to be 151 hectares. BCWS suspects the cause to be lightning.

**At this time residents or visitors within the area are not required to evacuate**, however the RDCK advises people to remain vigilant and be prepared to leave the area at a moment's notice.

- Sign up to the RDCK Emergency Notification System. Go to [www.rdck.ca/notification](http://www.rdck.ca/notification)
- Locate all family members and designate a meeting area outside the evacuation area, should an Evacuation Order be called while separated.
- Pack a grab and go bag and include essential items such as government-issued ID, medications, eyeglasses, valuable papers (e.g. insurance, credit, and mortgage information), immediate care needs for dependents and, if time and space permits, keepsakes for quick departure.
- Register online with Emergency Support Services <https://ess.gov.bc.ca>. Create a profile in the event you are put on Evacuation Order.
- Prepare to move disabled persons, children and/or neighbours, if assistance is needed.
- Prepare to take pets with you and move livestock to a safe area (if possible). Prepare leashes, pet carriers and food.
- Arrange transportation for all your household members. Fill the gas tanks of personal vehicles. If transportation assistance is needed, call 250.352.7701 or 1-866-522-7701 (toll free).
- Arrange accommodation for all members of the residence, if possible. In the event of an Evacuation Order, Reception Centres will be opened if required.
