**At this time residents or visitors within the area are not required to evacuate**, however the RDCK advises people to remain vigilant and be prepared to leave the area at a moment's notice. It is recommended to prepare an emergency kit and ensure preparedness, including moving pets and livestock to a safe area, in the event the situation worsens and an Evacuation Order is enforced. Part of your plan should include where you can go if evacuated.

The Wilson Creek wildfire was first discovered on July 24 and is estimated at 1.1 hectares. The BCWS suspects the cause to be lightning.

Updates or changes to the Evacuation Alert will be provided via the [RDCK website](#), [Facebook](#) and [Twitter](#) as more information becomes available.
