

REGIONAL DISTRICT OF CENTRAL KOOTENAY

Public Notice

December 5, 2019

EDGEWOOD WATER USERS

The Regional District of Central Kootenay will be performing commissioning of the new well pump house and reservoir on the EDGEWOOD Water System beginning the week of:

December 9, 2019

NOTE: that while service will not be interrupted, water users may experience chlorine odour and taste as part of the commissioning process. Chlorination is not a part of normal operation at this time. Boiling the water will dissipate both odour and taste of chlorine.

The Boil Water Notice issued June 4, 2019 for increased seasonal turbidity remains in effect.

Water users will be notified once the commissioning is complete and the Boil Water Notice is rescinded.

If you have any questions regarding this notification please contact:
