Boil Water Notice RESCINDED **for the Lister Water System - Localized**

The Regional District of Central Kootenay is pleased to announce that effective immediately the localized Boil Water Notice issued for users on the Lister Water System has been rescinded.

On March 11th, 2020 the Regional District of Central Kootenay (RDCK) issued a **localized Boil Water Notice** for users on **the Lister Water on 16th Street, 8th Street, Hagey Road and Airport Road** due to a water main repair (see attached map). The notice was issued as a precautionary measure for the potential of the backflow of contaminants to enter the water system due to pressure loss. The works have been completed and water quality tests indicate that the water quality is good.

The RDCK appreciates Lister water users' cooperation and patience during this time and apologizes for the inconvenience experienced.
