

# REGIONAL DISTRICT OF CENTRAL KOOTENAY

## Boil Water Notice **RESCINDED**

Effective: September 11, 2020

### **Boil Water Notice RESCINDED** **for the Woodland Heights Water System**

---

The Regional District of Central Kootenay is pleased to announce that effective immediately the Boil Water Notice issued for users on the Woodland Heights Water System has been rescinded.

On Monday, September 7, 2020 the Regional District of Central Kootenay (RDCK) issued a **Boil Water Notice** due to failed reservoir float valve that caused the reservoir to empty and depressurize the distribution system. This depressurization had created a potential for the backflow of contaminants to enter the water system. The repairs have been made and water quality tests indicate that the water quality is good.

The RDCK appreciates Woodland Heights water users' cooperation and patience during this time and apologizes for the inconvenience experienced.

**For more information and frequently asked questions about water quality visit our website at [www.rdck.ca/water](http://www.rdck.ca/water), or contact RDCK Water Services by email at [watercontact@rdck.bc.ca](mailto:watercontact@rdck.bc.ca) or by phone at 1-800-268-7325.**
