

BOIL WATER NOTICE

Date: October 21, 2024

Localized Boil Water Notice issued for the Erickson Water System

Effective Tuesday, October 22, 2024, a localized Boil Water Notice is issued for 3 users on the Erickson Water System; 2704 Erickson Rd, 2603 Sunset Blvd and 2813 Hwy 3 only. Affected users will also experience water outages on October 22, 2024 from 9:00am - 3:00pm.

The **BOIL WATER NOTICE** has been issued due to a mainline leak repair.

The RDCK and Interior Health recommend that all customers drink boiled water or a safe alternative until further notice. Water intended for drinking, washing fruits and vegetables, making beverages or ice, or brushing teeth should be boiled for one minute. Boiled water should then be refrigerated in a clean, covered container. Customers could also choose to use bottled or distilled water.

Owners of all public facilities must post a **Boil Water Notice** at all sinks or drinking water fountains accessible to the public (alternatively, public fountains and taps may be turned off). As opportunities arise, they must also advise their clientele verbally of the **Boil Water Notice**.

The RDCK will be taking measures to reduce risk; water quality will be monitored and the public will be notified when the RDCK is able to lift the Boil Water Notice.

We apologize for any inconvenience this might cause, and appreciate your cooperation and patience during this time. **For more information contact the RDCK (250) 352-8161 or visit our website at www.rdck.ca/water.**

Incorporated in 1965, the Regional District of Central Kootenay (RDCK) is a local government that serves 60,000 residents in 11 electoral areas and nine member municipalities. The RDCK provides more than 160 services, including community facilities, fire protection and emergency services, grants, planning and land use, regional parks, resource recovery and handling, transit, water services and much more. For more information about the RDCK, visit www.rdck.ca.
