

REGIONAL DISTRICT OF CENTRAL KOOTENAY

Flushing Notice

May 16, 2019

YMIR WATER USERS

The Regional District of Central Kootenay will be flushing the distribution system, valve exercising and conducting maintenance on the YMIR Water System on the following date(s):

May 22 & 23, 2019

Water users may experience service interruptions between:

9:00 am to 4:00 pm

This work is being performed to remove any solids built up in the distribution system. Note, that while service will not be interrupted, there is potential for elevated turbidity or cloudiness during flushing. Please refrain from doing laundry during this time.

After 4:00 pm, please flush water through the tap until it is clear and odourless prior to consumption.

If you have any questions regarding this notification please contact:
