Boil Water Notice Rescinded for the Duhamel Water System

Nelson, BC: The Regional District of Central Kootenay (RDCK) is pleased to announce, effective immediately, the **BOIL WATER NOTICE** issued for users on the Duhamel Creek Water System has been rescinded.

On Monday, August 17, 2020 a **BOIL WATER NOTICE** was issued due to water main work to repair the substantial leak detected during the distribution system investigation in May.

The repairs have been completed and water quality tests indicate that the water quality is good.

The RDCK appreciates Duhamel Creek water users' cooperation and patience during this time and apologizes for the inconvenience experienced.
